Pastor's Column

July 9th, 2023

The Precepts of the Catholic Faith Second of Seven Part Series

You can read the first part on our website www.holyredeemervanc.org under “resources – pastor’s columns”

Jesus Christ: Yesterday, Today, and Forever ~

This week we continue our series on the Precepts of the Catholic Church: “pre” meaning “before”, and “cept” meaning “life” – before there can be full life in God, these seven laws must be observed. Failure to live them out would constitute a mortal sin: when one has knowledge of them, and acts without undue coercion to disregard them. “The obligatory character of these positive laws decreed by pastoral authorities is meant to guarantee to the faithful the very necessary *minimum* in the spirit of prayer and moral effort, in the growth in love of God and neighbor”. *Catechism* #2041. This week we continue working our way through them by exploring the second precept. They are listed here again as a reminder.

The Precepts of the Catholic Church

1. To attend Mass on Sundays and Holy Days of Obligation and rest from servile works.
2. To observe the days of abstinence and fasting.
3. To confess our sins to a priest at least once a year. Traditionally, during the seasons of Lent or Easter.
4. To receive Our Lord Jesus Christ in the Holy Eucharist at least once a year during the Easter Season.
5. To contribute to the support of the Church [Stewardship of time, talent, and treasure (tythe)].
6. To obey the laws of the Church concerning Matrimony [Catholics who marry are obligated to wed in the Catholic Church].
7. To participate in the Church's mission of Evangelization of Souls.

For the Catholic Church in the U.S. at this time, abstinence means refraining from all different kinds of meats, minus fish; while fasting means reducing our portion of food to one normal meal and two smaller than normal (snacks). Historically it has meant much more than that, i.e., fasting on plain bread with water.

Why does the Church ask us to observe days (and times) of abstinence and fasting? Penance, spiritual focus, imitation of Christ, and self-mastery. We all owe God penance for our sins, and out of charity, penance for the sins of others; the criminal owes the one he has committed a crime against some form of restitution for the offense. Abstinence and fasting is a way for us to concentrate our focus upon Our Lord, especially in preparation for receiving Holy Communion. Fasting helps us imitate Christ to become more like him, and to prepare the way for important events. Finally, because we have a need to overcome all our passions, and abstinence and fasting when honestly applied, aid us greatly in achieving self-mastery.

In the United States at this time, the U.S. Conference of Catholic Bishops has declared that the age of fasting is from the completion of the 18th year to the beginning of the 60th. The USCCB also allows the substitution of some other form of penance for abstinence on all of the Fridays of the year, except for those Fridays in Lent. Thus, the rules for fasting and abstinence in the U.S. are:

1. Every person 14 years of age or older must abstain from meat (and items made from meat) on Ash Wednesday, Good Friday, and all the Fridays of Lent.
2. Every person between the age of 18 and 59 must fast on Ash Wednesday and Good Friday.
3. Every person 14 years of age or older must abstain from meat on all other Fridays of the year, unless he or she substitutes some other form of penance for abstinence.
4. Every person is to fast from all food at least one hour before reception Holy Communion is to be received.

Exceptions to these rules on abstinence and fasting would be illness, pregnancy, nursing, a medical condition (diabetes, etc.), and when it would seriously interfere with our responsibilities. When any of these are the case, in the spirit of the precept, it is expected that we give up something else (smart phone, internet, TV, music, shopping, etc.); or do something challenging in a spirit of charity, e.g., call or visit with someone who is difficult to talk to, attend a weekday Mass, spiritual reading, clean and organize the house/garage, help someone else, volunteer, etc.

Next week: precept #3.

May Our Lord and His Blessed Mother Keep You,

*We will be requesting your signature for a petition to reject ESSB5599.
Petitions will be available for your signature
before and after Mass this weekend (July 8th and 9th.)
The following information is provided by the organization "Reject 5599".*

Why is your signature so critical? IF ENOUGH R-101 SIGNATURES ARE COLLECTED, VOTERS CAN DECIDE. IT WILL BE ON THEIR BALLOT.

- During the 2023 legislative session, ESSB 5599 was passed regarding homeless or runaway youth seeking what's referred to as "protected health care services." **These services are spelled out in RCW 74.09.675 to be gender-related medical intervention, such as puberty blockers, sex change surgeries, and mastectomies, as well as "reproductive health care" or abortions.**
- When such a youth enters the shelter, they're then placed under the guardianship of the host home under the Department of Children Youth and Families (DCYF). **Those guardians can then give the child consent for gender-related services or abortion. There is no minimum age enumerated in the bill.**
- **Under the law, parents lose the right to be directly notified by the host home as to their child's whereabouts** and the state is involved in deciding whether parents can take their own child back home. Clearly, the parents have no custody rights under this new law.
- **Runaway youth already have access to shelters. This dangerous law can potentially brand parents as abusers when no abuse is present. Administration of this new state sponsored industry will be funded by tax dollars!**
- **You must be a current Washington State Registered Voter. If you are not registered to vote, please be sure to register asap. If you are registered, but have moved, please notify the Elections Office so your signature will not be rejected! Thank you. Register or update your address online: voter.votewa.gov**

PARISH HAPPENINGS

Proposition 101 To repeal SB5599

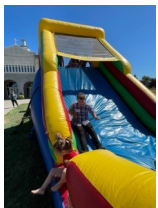

In last week's Friday email we provided background materials about SB5599 that passed in the Washington State Legislature earlier this year. SB5599 allows the state to take custody of children seeking "health care" [including abortions and gender altering procedures] without parent consent. Now there is a proposal 'Proposition 101' to repeal that bill. The Knights of Columbus will be in the Narthex this weekend only after Masses to collect signatures to repeal SB5599 and answer questions.

Volunteer at Clark Co. Right to Life at the Clark County Fair 2023
