Jesus Wants Us to Be Holy

Jesus Christ: Yesterday, Today, and Forever ~

You and I were made to be saints, for Jesus says, “Be perfect as your heavenly Father is perfect” (Mt 5:48). One day when we get to heaven, if not before, we will be saints. Yet many will not make it to heaven if people like us don't do what we can to share our faith through our time, talent, and treasure. That's not an exaggeration. In heaven we will be made aware of all the souls that made it there because of the sacrifices we made for Jesus and His Church in this life. Likewise, we will be made aware of all the souls who didn't make it because of our poor example and lack of effort – that could be you. If God is our highest priority, and He should be, then He should be seen in our day planners and checkbooks.

We're coming out from underneath 20 months of covid restrictions, so we have a lot of rebuilding to do. We need to get our dozens of different ministries restocked and back on their feet. That's where you come in. If you are registered at Holy Redeemer, you received a mailing in the past couple of weeks on our annual stewardship drive. Please take the time to read it and fill out the stewardship brochure if you haven't done so already. You can also fill out the form online at <https://holyredeemervan.org/parish-events/stewardship-2022>. In the mailing you will also find a ministries directory briefly detailing most (not all) of the ministries and activities that take place at Holy Redeemer Parish (this guide is also available on the website). As you can see, we have a very active parish, yet it takes all of us contributing to make Our Lord's Kingdom a reality here and now at Holy Redeemer.

At Mass, last Sunday and this, we have been taking the opportunity to sign up for some of the ministries and activities that are in need at this time. Please prayerfully consider committing to at least one thing; two or more would be welcomed too!

Of course stewardship is also about tithing. The Church would simply cease to exist without our financial sacrifices. In an article entitled: *The Truth about Christians Tithing in the U.S.*, found at www.sharefaith.com/blog/2015/12/facts-christians-tithing, we read:

. . . when we analyze . . . those who do attend church, far fewer actually tithe any money. It's alarming that Christians now give less per capita than during the Great Depression. When we finally look at those in church, at best 25% of the congregation gives. That's at best. If you have that level of participation, you're not in the norm, according to other research, which says only about 3-5% actually tithe in most cases. And, it's not the wealthy that always tithe. The statistics suggest that if you make less than \$20k, you're eight times more likely to give than someone who makes more than \$75k.

Why is tithing a challenge? In our research, a number of reasons surface. It may be as easy as a lack of regular attendance. But more likely, it is a change of expectation. “How will this affect me?” versus “How can I change the lives of someone else?” We need to ask ourselves if our church is keeping an outward focus, or are we only serving our own needs?

. . . He [God] invites us to participate in his mission. So why tithe? Money manager Dave Ramsey says, “Tithing was created for our benefit. It is to teach us how to keep God first in our lives and how to be unselfish people. Unselfish people make better husbands, wives, [parents], friends, relatives, employees and employers. God is trying to teach us how to prosper over time.”

Prosper into eternity and help others while you're at it. God has given us everything and is so generous that He lets us keep 90% – yet 10% belongs to Him. Please remember to continue moving toward Our Lord's expectation of a 10% tithe of your annual income to His Church: 5% to our parish, 1% to the Annual Catholic Appeal, and 4% to other Catholic charities. If you are not already at a 10% tithe, then take a 1% step this year toward that goal. For example, if you're currently giving only 2% of your annual income to the Church, increase that to 3% this year; if 7% increase that to 8%, etc. We receive in the measure we give. Trust God, His generosity can't be matched!

Finally, I would like to thank all of you who do give in so many meaningful ways. The varied ministries at Holy Redeemer attest to the sacrifices that you have already made for so many. It is because of your sacrifices that we have been able to grow our opportunities for discipleship at Holy Redeemer Parish. Please renew your commitment to the stewardship of Holy Redeemer Parish by volunteering your time, talent, and treasure; and continue to grow in your faith and to help others grow in theirs. I thank you for your continued stewardship of Holy Redeemer Parish and the Church at large.

May God Bless You in Your Stewardship of the Church,

Fr. Thomas Nathe

P.S. If you have misplaced your stewardship mailing, fear not, you can go online to our website and make your commitment online too. It is the easiest way to do it for you and for us, give it a try.

BLESSED DUNS SCOTUS: DEFENDER OF THE IMMACULATE CONCEPTION

The inspiring true story of the holy Franciscan priest and theologian who won a famous debate against the Dominicans in the thirteenth century, in which he defended Our Lady's great privilege of her Immaculate Conception. Filmed in beautiful ancient monastery locations in Europe, Scotus is revealed as a humble and courageous apostle of the Faith against the oppressive anti-Catholic government in power.

STEWARDSHIP: A WAY OF LIFE TIME. TALENT. TREASURE.

“For where your treasure is,
there your heart will be also.”

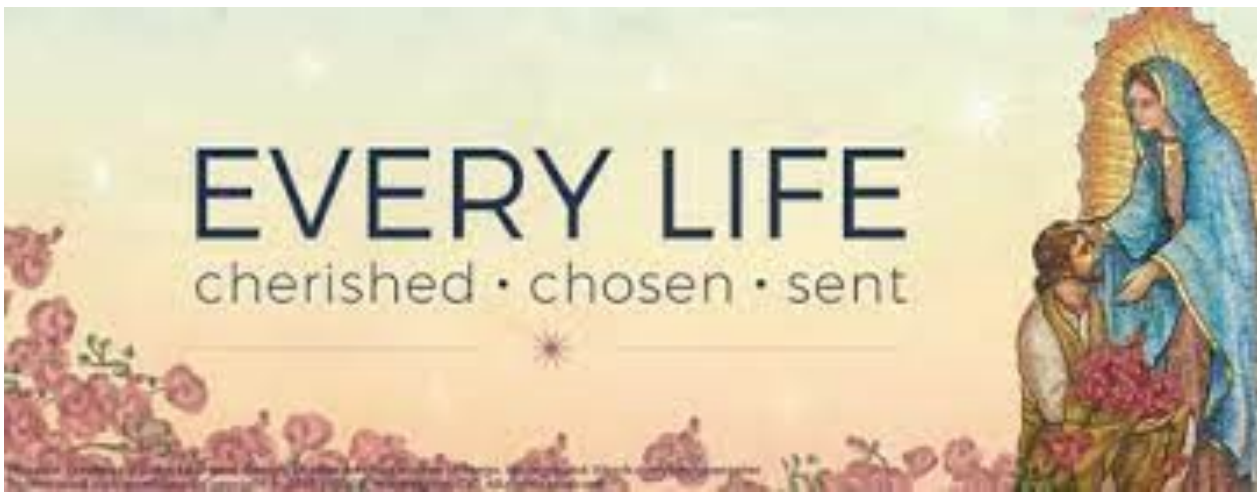

Matthew 6:21

FROM A HEART
OF GRATITUDE
WE GIVE OUR
TREASURE.

Everything we have is a gift from God and we're called to share these gifts with others. Stewardship is our response to God's generosity. As good stewards, we gratefully acknowledge God's gifts, seek to cultivate them, and share them with others, as a sign of our love for God.

Stewardship starts in our parish. Within our parish we can sow the seeds of stewardship and watch them grow. As we enter our yearly Stewardship of Treasure renewal, we ask that you prayerfully reflect on what God has given you and what you can give back in return.

Please prayerfully fill out and return your pledge card.

Abortion, Poverty and Social Ills

Prior to 1973, abortion advocates argued that if abortion was legalized, the reduction in "unwanted children" would result in a dramatic reduction in poverty, child abuse and other social ills. This of course never materialized. On the contrary, poverty today is at record levels and child abuse has literally skyrocketed since 1973 (as the value of life has been severely undermined).

Abortion discriminates against the poor.

Margaret Sanger, the founder of International Planned Parenthood, the world's largest abortion provider, was a proponent of eugenics. She believed in eliminating the poor and minority communities in America through contraception and sterilization. For example, she argued in 1922 that "all our problems are the result of overbreeding among the working classes." (Cited by Steve Mosher and Michael W Bird in their review of Margaret Sanger's *The Pivot of Civilisation*).

And today Planned Parenthood continues to target those very communities with abortion services (though they contend that this has nothing to do with eugenics). A very high percentage of Planned Parenthood abortion mills are located in poor and minority communities. It's no wonder that although abortions have decreased in America over the last few years, Planned Parenthood's abortion numbers continue to go up.

Planned Parenthood has argued that abortion is "cost-effective" because "for every \$1.00 spent by government to pay for abortions for poor women, about \$4.00 is saved in public medical and welfare expenditures incurred as a result of an unintended birth." (*Bad Science in the Service of a Lethally Racist Ideology*, Angela Franz. Cited on the nrlc.org website).

The truth is that abortion and the promiscuous society that it encourages results in increased poverty and other social ills. The "sex without consequences" mentality leads to one-parent-families, a breakdown in the family unit and all the adverse social consequences that this entails.

A Prayer for Our Veterans

Loving God, We ask for blessings on all those who have served their country in the armed forces. We ask for healing for the Veterans who have been wounded, in body and soul, in conflicts around the globe. We pray especially for the young men and women, in the thousands, who are coming home with injured bodies and traumatized spirits. Bring solace to them, O Lord; may we pray for them when they cannot pray. We ask for, echoing John Paul II, an end to wars and the dawning of a new era of peace, as a way to honor all the veterans of past wars.

Have mercy on all our Veterans. Bring peace to their hearts and peace to the regions they fought in. Bless all the soldiers who served in non-combatative posts; May their calling to service continue in their lives in many positive ways.

Give us all the creative vision to see a world which, grown weary with fighting, Moves to affirming the life of every human being and so moves beyond war. Hear our prayer, O Prince of Peace, hear our prayer.

Amen.
