ST. GIUSEPPE MOSCATI: DOCTOR TO THE POOR

Giuseppe Moscati, "the holy physician of Naples," as a medical doctor and layman in the early twentieth century who came from an aristocratic family and devoted his medical career to serving the poor. His research also led to the discovery of insulin as a cure for diabetes. Moscati regarded his medical practice as a lay apostolate, a ministry to his suffering fellowmen. Before examining a patient or engaging in research, he would place himself in the presence of God. He encouraged his patients to receive the sacraments.

Jesus Wants Us to Be Holy

Jesus Christ: Yesterday, Today, and Forever ~

You and I were made to be saints, for Jesus says, “Be perfect as your heavenly Father is perfect” (Mt 5:48). One day when we get to heaven, if not before, we will be saints. Yet many will not make it to heaven if people like us don’t do what we can to share our faith through our time, talent, and treasure. That’s not an exaggeration. In heaven we will be made aware of all the souls that made it there because of the sacrifices we made for Jesus and His Church in this life. Likewise, we will be made aware of all the souls who didn’t make it because of our poor example and lack of effort – that could be you. If God is our highest priority, and He should be, then He should be seen in our day planners and checkbooks.

We’re coming out from underneath 20 months of covid restrictions, so we have a lot of rebuilding to do. We need to get our dozens of different ministries restocked and back on their feet. That’s where you come in. If you are registered at Holy Redeemer, you received a mailing in the past couple of weeks on our annual stewardship drive. Please take the time to read it and fill out the stewardship brochure if you haven’t done so already. You can also fill out the form online at <https://holyredeemervan.org/parish-events/stewardship-2022>. In the mailing you will also find a ministries directory briefly detailing most (not all) of the ministries and activities that take place at Holy Redeemer Parish (this guide is also available on the website). As you can see, we have a very active parish, yet it takes all of us contributing to make Our Lord’s Kingdom a reality here and now at Holy Redeemer.

At Mass, last Sunday and this, we have been taking the opportunity to sign up for some of the ministries and activities that are in need at this time. Please prayerfully consider committing to at least one thing; two or more would be welcomed too!

Of course stewardship is also about tithing. The Church would simply cease to exist without our financial sacrifices. In an article entitled: *The Truth about Christians Tithing in the U.S.*, found at www.sharefaith.com/blog/2015/12/facts-christians-tithing, we read:

. . . when we analyze . . . those who do attend church, far fewer actually tithe any money. It’s alarming that Christians now give less per capita than during the Great Depression. When we finally look at those in church, at best 25% of the congregation gives. That’s at best. If you have that level of participation, you’re not in the norm, according to other research, which says only about 3-5% actually tithe in most cases. And, it’s not the wealthy that always tithe. The statistics suggest that if you make less than \$20k, you’re eight times more likely to give than someone who makes more than \$75k.

Why is tithing a challenge? In our research, a number of reasons surface. It may be as easy as a lack of regular attendance. But more likely, it is a change of expectation. “How will this affect me?” versus “How can I change the lives of someone else?” We need to ask ourselves if our church is keeping an outward focus, or are we only serving our own needs?

. . . He [God] invites us to participate in his mission. So why tithe? Money manager Dave Ramsey says, “Tithing was created for our benefit. It is to teach us how to keep God first in our lives and how to be unselfish people. Unselfish people make better husbands, wives, [parents], friends, relatives, employees and employers. God is trying to teach us how to prosper over time.”

Prosper into eternity and help others while you're at it. God has given us everything and is so generous that He lets us keep 90% – yet 10% belongs to Him. Please remember to continue moving toward Our Lord's expectation of a 10% tithe of your annual income to His Church: 5% to our parish, 1% to the Annual Catholic Appeal, and 4% to other Catholic charities. If you are not already at a 10% tithe, then take a 1% step this year toward that goal. For example, if you're currently giving only 2% of your annual income to the Church, increase that to 3% this year; if 7% increase that to 8%, etc. We receive in the measure we give. Trust God, His generosity can't be matched!

Finally, I would like to thank all of you who do give in so many meaningful ways. The varied ministries at Holy Redeemer attest to the sacrifices that you have already made for so many. It is because of your sacrifices that we have been able to grow our opportunities for discipleship at Holy Redeemer Parish. Please renew your commitment to the stewardship of Holy Redeemer Parish by volunteering your time, talent, and treasure; and continue to grow in your faith and to help others grow in theirs. I thank you for your continued stewardship of Holy Redeemer Parish and the Church at large.

May God Bless You in Your Stewardship of the Church,

Fr. Thomas Nathe

P.S. If you have misplaced your stewardship mailing, fear not, you can go online to our website and make your commitment online too. It is the easiest way to do it for you and for us, give it a try.

STEWARDSHIP

THEM GROW.

“Each of you should use whatever gift
you have received to serve others, as faithful stewards
of God’s grace in its various forms.”

1 Peter 4:10-11

Everything we have is a gift from God and we’re called to share these gifts with others. This is stewardship.

Within our parish we can sow the seeds of stewardship and watch them grow. What seeds will you sow for the parish? How will you make stewardship a way of life?

If you haven’t already decided on your parish stewardship commitment, please prayerfully consider God’s gifts to you and make your pledge. Please return your parish stewardship commitment card today in the collection basket, to the parish office, or through the mail.

Share the joy of family life

Joy amid the struggle

When Jesus tells us to “keep my commandments” and “love one another as I have love you,” he adds, “I have told you this so that my joy may be in you and your joy may be complete” (John 15:10-12). Jesus’ plan for family life is designed to give us joy.

And yet family life can be a struggle. We work so hard to feed, transport and care for our loved ones, and sometimes it feels like all we get is tired. Joy does not come on our terms, but flows to us as a gift of the Holy Spirit (Galatians 5:22). We receive this gift best when we invite God more into our family life.

Open your family to more joy with the joyful mysteries of the rosary

The Holy Family experienced extraordinary struggles such as starting out in a barn and then fleeing to Egypt. Amid these trials, and the ordinary challenges of family life, the Holy Family experienced profound joy through their intimacy with God and one another.

Reflect on the five joyful mysteries of the rosary and ask our Lord to send the Holy Spirit upon your family that you may grow more deeply in love with God and one another.

1. The angel Gabriel announces God’s call to the Virgin Mary

Reflect and Act: Listen to God

Mary is deeply aware that her relationship with God gives her life meaning. So when the angel Gabriel tells her she will give birth to Jesus, she responds, “May it be done to me according to your word” (Luke 1:38). Encourage your family to be open to God’s call. Clear unnecessary distractions that can make it hard to listen to God’s word. Work hard to listen to God and to one another in your family.

Action: Make dinnertime sacred, keeping screens away from the table and starting with grace. Share how you have heard God’s call in your life.

2. Mary visits her cousin Elizabeth

Reflect and Act: Invest in extended family

After receiving the news from the angel Gabriel, Mary travels right away to visit her cousin Elizabeth, who is pregnant with John the Baptist. Our extended family can be a source of help, wisdom and encouragement. Grandparents can play a critical role in encouraging parents and strengthening the faith of grandchildren.

Action: Connect with your extended family, making time for grandparents, aunts, uncles and cousins. Investing time to remain close to your extended family pays off in a more vibrant and joyful family life.

3. The nativity of Jesus

Reflect and Act: Recognize the sacred in your family

The Lord of heaven and earth humbled himself to become incarnate to us as a newborn child. God chose to make the human person sacred by becoming one of us. In the ordinary experiences of family life, we encounter the sacred in surprising ways by humbly caring for our spouses, our children and our elderly family members.

Action: Let your spouse, children and parents know that they are a gift from God to you. Take time in your evening prayer to thank God for placing these people in our lives.

4. Mary and Joseph present Jesus in the Temple

Reflect and Act: Participate in the sacraments

Mary and Joseph journeyed to Jerusalem to present the child Jesus to God in the Temple. This presentation reflected their gratitude to God and brought joy to Simeon and Anna when they encountered Jesus. When we commit to participating in the sacraments and parish life, we discover a community of support and, most importantly, receive Jesus in the Eucharist.

Action: Take a step to go deeper in your engagement with your parish. Participate in the Eucharist weekly and reconciliation monthly. Engage with your faith formation or youth ministry program. Join a small faith sharing group.

5. Mary and Joseph find Jesus in the Temple

Reflect and Act: Communicate and reconcile as a family

When Mary and Joseph lost Jesus in Jerusalem, they were frightened. Though Jesus obediently returned to Nazareth, Mary and Joseph discovered that, even in the Holy Family, parents and children are not always in complete harmony. Conflict and challenges are part of family life. Joy means encountering one another with love that is obedient to God's will and open to the needs of the ones we love.

Action: Look for opportunities to say "Please," "Thank you," and "I'm sorry" to your spouse and children. Participate in the Eucharist weekly. And throughout it all, continually say "Please," "Thank you," and "I'm sorry" to God.
