Pastor's Column

March 12th, 2023

Bettering our Parish – ParishStaq & Pushpay –

Jesus Christ: Yesterday, Today, and Forever ~

I'm running the same pastor's column two weeks in a row because the subject matter warrants it. If you haven't already read this pastor's column, please continue reading, if you have read it but haven't transitioned over to **ParishStaq** and **Pushpay**, please read this again and get plugged in.

Information technology has been around for a generation now and as we all know, it is constantly improving, which is to say, it's constantly evolving. Beginning this month, we began moving much of the data that we have on file with you to a significantly enhanced system called **ParishStaq**. We all also starting to transition those of us who are using on-line giving, from Vanco to a much better system called **Pushpay**. These two systems will work together to substantially improve our current information systems and should last for a long time to come. So once we've got your information transferred into these two new systems, we should be all set for the long haul. I'm excited about the ways in which ParishStaq and Pushpay will be able to enhance your parish life and faith. What do these new systems offer that the old ones didn't?

You can think of ParishStaq as an on-line community for the parish. With it, you'll be able to sign up for events, interact with small groups, and track your ministry commitments. It will also serve as a directory for the whole parish. You can even update your own contact information including your favorite photo of you! In a few months a parish app will come out that will connect you to ParishStaq and Pushpay (expect to hear more about this in the future). Further down the road, we hope to transition Ministry Scheduler Pro, our volunteer scheduling application, into ParishStaq. When that happens, we will be able to complete the consolidation and simplification of our information systems.

Pushpay is replacing our current servicer, Vanco, for online giving and provides a much smoother process for you to give electronically. Pushpay allows for simple giving through a variety of means, including mobile and online.

Holy Redeemer's staff was deeply involved with the selection of these programs for the Archdiocese as a whole, and we are very excited about the ways they will benefit our mission to Glorify God and Sanctify Souls. We were chosen to be one of the first parishes in the Archdiocese to adopt it. Our being first in line gives us the opportunity to help direct the development of the software, but it also means there will be some rough edges at first. One in particular that you should know about, is some of the emails we will send out in the next few months will say they are coming from the Archdiocese of Seattle, rather than Holy Redeemer – please know that they are from us.

So here's what I need from you. I want you to sign up for ParishStaq and Pushpay. There are instructions on the back of this pastor's column on how to get signed up for both. Every individual at Holy Redeemer should do this. We've already had a group of parishioners volunteer to test ParishStaq and Pushpay for us, and the feedback we have received has been that it is very simple. It only takes a couple of minutes of your time to sign up for both.

This weekend, our administrator Ed Brands and business manager Kevin Greenlee, will be in the narthex after the Masses to help you get signed up. They will also be holding tutorials and sign-up sessions in the Parish Center during the week of March 12th. The times for these are listed on the back of this pastor's column.

May Almighty God Bless You,

Fr. Thomas Nathe

ParishStaq will enable you to engage with us and your fellow parishioners. It will be your one stop shop for parish events, small groups, and ministries.

Pushpay is a quick and easy online giving platform. Online giving is easier for you and better for us, so sign up today!

To get access to your ParishStaq Profile:
Go to <https://archseattle.ccbchurch.com/goto/forms/61/responses/new> or scan the QR code below and fill out the short form.

To start, you can:
[Visit our giving page at https://pushpay.com/g/holyredeemervancouver](https://pushpay.com/g/holyredeemervancouver) or scan the QR code below OR text **givehr** to (833) 921-6696.

You will receive an activation email within a few business days once we've confirmed your info.
When you get the activation email (from the "Archdiocese of Seattle"), login, check your info, and upload a photo. You can also set your privacy settings.

Enter your online gift, click next and put in your mobile number. You'll receive an activation code by text and enter that into the giving page and you're done. It's that simple!
If you're a current online giver through Vanco, we will cancel your Vanco giving once you sign up on Pushpay (though you can do it too if you wish).

Steubenville NW Youth Conference:

Date: July 14-16

Cost: \$225

Steubenville Youth Conferences are known for their dynamic presentation of the Faith with top notch national speakers, fun engaging witness, and deeply prayerful encounters, all at a time of year that isn't diluted with distraction of school work!

We recommend ALL incoming freshmen and ANY high school youth who has not attended in the past make this a priority at least once for their faith growth. So many young people who have attended from our own parish state this as a pivotal encounter experience that drew them deeper into the Church and solidified their commitment to Christ!

The Story of Death Eternal Rest Episode 1
Where did death come from? What does death mean for the human person? Is it simply just part of life, or is it something else? In this first session, we discuss the story of death and God's response to it: defeating death by dying and rising from the dead.

Living Lent as a Family (Part 2 of 4)
